Our Business Centre consists of a multifunctional hall that can be divided into two halls by a partition wall, with a floor area of 120 m2 and illuminated by natural daylight.

Each hall offers cutting-edge LED projectors and flip-chart equipment for your presentations.

Its top-quality sound and lighting systems leave a positive impression. The lights in all halls can be dimmed to complete darkness, and the daytime LED lighting will provide maximum light when you need it the most.

29 rooms | 1 suite  
Max. capacity: 60 persons

Fast and free Internet connection for all our guests.

There is also an electric vehicle charging station next to the hotel.
